Declaration of Conformity

Dynamic Structures and Materials, LLC certifies that its standard products conform to the RoHS directive 2011/65/EU for the restriction of certain hazardous substances. The specific list of the electronics products that conform includes:

- MD-90 motor driver
- PS-150 power supply
- SA-500 controller/amplifier
- VF-90 amplifier
- VF-150 amplifier
- VF-500 amplifier

In addition to electronics products, Dynamic Structures and Materials, LLC also produces actuators that incorporate piezoelectric transducers made of the material PZT. These actuators are compliant with the directive by virtue of the exception granted to piezoelectronic devices in Annex III. The specific list of actuator products that conform includes:

- FPA type actuators, including the range from FPA-0080 to FPA-2000
- LFPA type actuators, including the range from LFPA-6000 to LFPA-10000
- LPA type actuators, including model LPA-100
- XSA type actuators, including model XSA-0200
- ZSA type actuators, including model ZSA-1000C
- Piezo motors, including model I-20
- Piezoelectric stacks and NA model actuators

The following specific materials are addressed by the specification 2011/65/EU:

- Lead
- Mercury
- Cadmium
- Hexavalent chromium
- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ethers (PBDE)

The information given in this certificate is accurate, to the best of our knowledge, at this time.
Date of Issue: 14 January 2014
